

Clinical Architecture is a leading Healthcare IT solutions provider. Through our comprehensive suite of products and solutions, we help customers across the healthcare vertical utilize disparate information for analytics, clinical decision support, and interoperability. Our mission is to help evolve healthcare with a focus on the quality and usability of clinical information. We are a fast-paced solution-oriented company, and our employees thrive when they can strike the right balance between working independently and collaborating with diverse cross-functional teams.

Informaticist

Clinical Architecture is seeking an Informaticist in the Indianapolis area to work on interesting challenges across multiple sectors of our industry, interface with clients, and help to design innovative solutions.

Responsibilities

- Work with internal teams on product and content-related features (e.g., metadata management, ontologies, logical rules)
- Assist customers with implementation and services delivery
- Demonstrate subject matter expertise and thought leadership to the industry through marketing and consultative sales activities
- Occasional travel for meetings with clients and prospects

Qualifications and Experience

- Minimum 5 years' experience in applied informatics or data analysis
- Experience with development and/or implementation of health IT systems is highly desirable
- Logical mindset and meticulous attention to detail
- Clinical background and informatics-related certification or degree are desirable but not required

Culture and Benefits: Clinical Architecture provides team members the opportunity to expand their minds and grow professionally and personally.

- World class innovators
- Industry thought leaders
- Friendly and positive
- Casual attire
- Two weeks of paid time off per year (increase available upon tenure)
- Medical, Dental, and Vision Insurance with 50% contribution from Clinical Architecture
- Relocation assistance to Indianapolis negotiable

Incentives: Clinical Architecture provides a working environment enjoyable for our team and guests.

- Monthly team lunches
- Team social events

- Onsite fitness center (membership paid by Clinical Architecture)
- Tread desk and Lift desks
- Onsite café with snack stand and beverages
